Terms and Conditions:

1. The products licensed in this order are provided by 1522452 Ontario Limited under license from Alchemy Mindworks Corporation. 1522452 Ontario Limited (hereafter "Alchemy Mindworks") has licensed the use of the trade name "Alchemy Mindworks," the software and other intellectual property which it offers for sale and/or license, and any and all additional trade names, trade marks, logos, symbols, text and other functional and descriptive elements owned by Alchemy Mindworks Corporation and comprising the aforementioned products. Purchase of a license or licenses for these products or any portion thereof is deemed to constitute a transaction between the purchaser and 1522452 Ontario Limited.

2. Payment for products ordered by purchase order shall be made in full no later than thirty (30) calendar days after the date on which the order is processed, and you are notified by e-mail, FAX or other medium that it has been processed. A late payment charge of 1.5 percent of the order total will apply for each calendar month or any portion thereof until complete payment is received.

3. Alchemy Mindworks software is licensed, not sold. All ownership, title and intellectual property rights in and to the software accompanying your order, including any associated media and any documentation or printed materials, are owned by Alchemy Mindworks or its suppliers. In ordering software products from Alchemy Mindworks, you are purchasing a license or licenses to use the software products, subject to the specific license terms of the software products. Said licenses pertain only to the version and revision level of the software products current at the time the licenses are conveyed, and do not extend to future releases or updates of the software products. The licenses for the software products you have ordered are deemed to be conveyed at such time as your order for the software products is processed and accepted by Alchemy Mindworks. Upon receipt of the software products, licenses or registration codes for the software products you have ordered, by electronic or physical media, whichever occurs first, you are deemed to have received in full the licenses for which you have paid.

4. Licenses for Alchemy Mindworks software products may not be transferred, exchanged, distributed or resold to persons or entities other than the persons or entities placing this order or upon whose behalf this order has been placed without the express written permission of Alchemy Mindworks.

5. Alchemy Mindworks shall have the right to terminate your license and your use of licensed products owned by Alchemy Mindworks at such time as a breach of the specific license agreements for the software products or a violation of the terms of this order is discovered by Alchemy Mindworks, brought to your attention in writing and which remains unresolved for a period in excess of thirty (30) calendar days beyond the date upon which you are notified of said breach or violation. Upon termination of your license, you will undertake to delete and destroy all licensed materials, copies thereof and registration codes provided to you by Alchemy Mindworks. Alchemy Mindworks shall not be required to provide you with redress, compensation, replacement or refund in the event of the termination of your product licenses as the result of an agreement breach.

6. Once your order has been processed, it may not be modified or cancelled by you in any way.

any reason. Software and other intellectual-property products may not be returned, exchanged or refunded for any reason. You undertake that you have fully evaluated the current downloadable evaluation versions of the software products you are ordering, and that you have found them to be entirely suitable for your applications, and free of "bugs" or other limitations which would render the software products unsuitable for use in your applications. 8. You acknowledge that once conveyed, the safekeeping and continued availability of the registration codes and attendant information for products you have purchased a license or licenses for rests solely with the license holder. Alchemy Mindworks may, at its discretion, attempt to assist license holders who have lost their registration codes, but it is under no obligation to do so. You acknowledge that registration codes are deemed to pertain to the version, revision and patch level of a specific product at the time of purchase. They may or may not be transferable to later versions, revisions and patch levels of the same product, at the discretion of Alchemy Mindworks.

9.
